

Concept:

- very light aesthetic, similar to a table
- display area closer to customer eyes
- higher working table
- loading height not extreme, 150 to 180 mm
- bistro alike superstructure with fixed top glass, horizontal
- closed base, possibly with legs like a real table
- stainless steel general look
- particularly suitable for the merchandising of premium products

DANAOS 75E

Danaos. 75E:

- vertical tilt-forward glass
- fixed glass top canopy
- front supports
- no lighting
- straight section only:
1250, 1875, 2500, 3750 mm
